Introducing the Concours cars

Sixty of the finest classic cars, spanning approximately 100 years of automotive evolution, will each be driven onto the main stage, throughout the day, for judging. The individual Concours cars and owners will each be introduced to guests by our Master of Ceremonies, **A.N.Other**.

Car Club Displays & Club Trophy **To be discussed**

L'Atelier Paris Concours d'Elegance Durban will be inviting leading car clubs from KZN and further afield to attend and park their cars within the grounds of Chris Saunders Park for all to admire and enjoy the sights thereof. With support from **Porsche, Ferrari, Club #2, Club #3 and Mercedes-Benz** owners' clubs, visitors to the Concours can be rest assured there will be an eclectic selection of rare, luxury and performance cars on display from each of these Clubs.

An independent panel of judges will conduct and assess the vehicles on display to select an overall winner, who will then be automatically included as part of the main Concours event next year.
